

Ziad Mohamed Ragab Mabrouk

Front-End Developer

zm4025828@gmail.com • 01006331383 • Fayoum, Egypt

[LinkedIn](#) • [GitHub](#)

Profile

Motivated Junior Front-End Developer with strong knowledge of HTML, CSS, JavaScript, Bootstrap, and Sass. Passionate about building responsive and user-friendly web applications. Experienced in creating personal and business-oriented websites and continuously improving skills in React and modern front-end development practices. Seeking an opportunity to contribute to a professional development team while expanding technical expertise.

Education

Future Institute Engineering in Fayoum (FIEF), Fayoum, Egypt

October 2022 - Present

Grade: 2.9

Internships

Skills

HTML5: Structuring semantic, accessible, and SEO-friendly web applications.

CSS3: Styling responsive layout systems using Flexbox, Grid, and modern design principles.

JavaScript (ES6+): Building dynamic user interfaces, DOM manipulation, handling asynchronous logic, and writing clean, modular code.

SASS: Writing maintainable and structured stylesheets using variables, nesting, mixins, and modular file architecture.

BootStrap: Developing mobile-first, responsive grid layouts and rapid prototyping with pre-built components.
